

# REGISTER NOW at [www.CVRT.ie](http://www.CVRT.ie)

All Operators of **Heavy Goods Vehicles, Goods Trailers, Buses** and **Ambulances** are required **by law** to make an online ‘Self-Declaration’ every year with the RSA.

Register online at [www.cvrt.ie](http://www.cvrt.ie) to complete and submit your ‘Self-Declaration’ and access your CVRT Online Account. It only takes a few moments to register!

## What you can do online with us:

- View your vehicle information (test reports, pass statements, roadside/premises inspection reports, and CRW details)
- Receive alerts and reminders about your vehicles
- Book commercial vehicle tests
- Apply for ADR certificates and replacement CRWs
- Upload additional vehicle documentation (that can be accessed for vehicle testing and reduce the need for paperwork at test time)
- Add and remove vehicles from your online fleet list

### WHAT YOU NEED TO REGISTER:

Email Address and Mobile Number

Company Registration Number  
(or PPSN if Sole Trader or Partnership)

Transport Licence Number &  
Chassis/VIN number of one  
of your vehicles (only if you are  
a licensed operator with RTOL)

**There is no charge to register with us!**

#### TIP ONE

**Display your disc.** All commercial vehicles should have a disc displayed, failure to do so can mean lengthier delays for you at roadside enforcement checks as well as being against the law.

#### TIP TWO

**Test on time.** The CRW issuing date is now aligned to your test due date so there is no incentive/benefit in delaying having your annual test. CRWs for 12 months are only issued where your vehicle is tested on time.

**Register now at [www.CVRT.ie](http://www.CVRT.ie)**

If you are having problems registering online then you can contact our helpdesk @ 091 480981 or email us at [selfdec@rsa.ie](mailto:selfdec@rsa.ie)
